BP 4226 Multiple and Overlapping Enrollments

Reference:

Title 5 Section 55007

A student may not enroll in two or more sections of the same credit course during the same term unless the length of the course provides that the student is not enrolled in more than one section at any given time.

A student may not enroll in two or more courses where the meeting times for the courses overlap.

The provisions of this policy apply to all students of the District, including those enrolled in more than one College of the District during the same term.

Adopted April 16, 2014
