An agenda shall be posted adjacent to the place of meeting at least 72 hours prior to the meeting time for regular Board meetings. The agenda shall include a brief description of each item of business to be transacted or discussed at the meeting. If requested, the agenda shall be provided in appropriate alternative formats so as to be accessible to persons with a disability.

No business may be acted on or discussed which is not on the agenda, except when one or more of the following apply:

- a majority of the Board members decides there is an “emergency situation” as defined for emergency meetings;
- two-thirds of the Board members (or all members if less than two-thirds are present) determine there is a need for immediate action and the need to take action came to the attention of the Board subsequent to the agenda being posted;
- an item appeared on the agenda of and was continued from a meeting held not more than five days earlier.

The order of business may be changed by majority vote or unanimous consent of the Board.

An agenda will be prepared by the Secretary of the Board for each Board meeting, and will be posted on the bulletin board on the north side of the Administration of the Coast Community College District, 1370 Adams Avenue, Costa Mesa, CA 92626 at least seventy-two hours prior to the start of each Regular Board Meeting, and at least twenty-four hours prior to the start of each Special Board Meeting, unless otherwise provided by law. All Board Meeting Agendas will be posted in compliance with applicable law, and will clearly state the date, time, and location of the meetings. All Board Meeting Agendas will also be posted on the District website, [www.cccd.edu](http://www.cccd.edu), at least seventy-two hours in advance of Regular Board Meetings, and at least twenty-four hours in advance of Special Board Meetings. Board Agendas shall also be distributed to any media outlet or member of the public that has made a request in writing to receive them. Concerning emergency meetings, absent a dire emergency, telephonic notice must be provided to all media outlets that have requested Board Agendas, at least one hour before the

meeting. In the case of a dire emergency, notice need only be provided at or near the time that notice is provided to the members of the Board. A dire emergency is a crippling disaster, mass destruction, terrorist act, or a threatened terrorist activity that poses peril so immediate and significant that requiring the Board to provide one-hour notice before holding an emergency meeting may endanger the public health, safety, or both, as determined by a majority of the members of the Board.
