

BOARD GOALS

2020-2021

- Goal #1:** The Board will focus on student success and equity, guided pathways, and student retention in the District and shall make student success its highest priority.
- Goal #2:** The Board will support measures to address student food and housing insecurity.
- Goal #3:** The Board will discuss and consider enrollments, student-centered budgeting, operational efficiencies and the proposed new State funding formula.
- Goal #4:** The Board will continue to support and closely review expenditures and audits on Measure M-funded facilities and technology.
- Goal #5:** The Board will continue to invest in state-of-the-art educational technology for the benefit and success of the District students.
- Goal #6:** The Board will continue to support effective and appropriate human resource practices for the benefit of the District.
- Goal #7:** The Board will maintain proactive and positive communications with District employees to encourage high morale.
- Goal #8:** The Board will hold regular Board study sessions and retreats to address future needs and direction of the District.
